→→→→ **ABOUT US** ←←←←

Based in Kingston, NY, we are an auditioned group of LGBTQ and allied singers who travel from all corners of the Hudson Valley to blend our voices and perform beautiful a cappella music together.

Formed at the beginning of 2016, we focus on mostly modern secular music in four-part harmony. Common themes within our music include equality, love, and celebration of identity in its many forms.

We perform at least two themed concerts per year as well as various smaller gigs and private events and have been known to break out into song whenever and wherever we congregate after rehearsals!
